**TOPIC CATEGORIES**

- Hemorrhagic Cerebrovascular Diseases (Aneurysm, AVM, DAVF, CCF, etc.)
- Advances in Brain tumour
- Demyelinating diseases
- Functional MRI
- Symposium on Advanced Imaging
- Workshops: How I Do It, Hands-on-training on newer devices
- Ethics

- Ischemic Cerebrovascular Diseases (Carotid Stenosis, Intracranial Stenosis, Vascular Bypass, Moyamoya Disease, etc.)
- Keynote lectures on Artificial Intelligence & Machine Learning in Neuroradiology
- Neurotrauma
- Pediatric Neuroradiology
- Focused Case Based Workshops: Interactive with Attendees

**PROGRAM HIGHLIGHTS**

- Grand Quiz
- Winner (s) to receive attractive prizes
- Social Events: Giving all Attendees a chance to Network with invited Faculty
- Trials & Guidelines

  • Complimentary accommodation to registered residents with accepted paper presentation
  • CME CREDITS BY DMC
  • Free paper sessions

ISNR 2019  
21st ANNUAL CONFERENCE OF  
INDIAN SOCIETY OF NEURORADIOLOGY  
Co-hosted by All India Institute of Medical Sciences  
New Delhi - 110029 (INDIA)  
31st October - 3rd November, 2019  
Holiday Inn, Aerocity, Near IGI Airport, New Delhi, INDIA  
"Neuroradiology in Asia"
Dear Colleagues,

We are pleased to inform you that the Indian Society of Neuroradiology in collaboration with the "Department of Neuroimaging & Interventional Neuroradiology, AIIMS, New Delhi" & "Mahajan Imaging" is organizing its "21st Annual Conference from 31st October to 3rd November, 2019" at Hotel Holiday Inn, Aerocity, New Delhi.

It is for the third consecutive year that Delhi will be hosting this prestigious conference, as per the mandate given by the general body of ISNR, and we hope that we would live up to the trust and faith reposed in us for organizing three conferences in a row.

"Neuroradiology in Asia" will be the theme of ISNR 2019 and leading institutes of Delhi, both in the public and private sector, would play an active role in organizing this special congress. Of course, national and international stalwarts in the field of diagnostic and interventional neuroradiology have been invited and would share their experiences through lectures, debates and intense discussions so as to understand and define the current state-of-the-art in diagnosis and management in all fields of neuroradiology.

As always there would be hands-on workshops for residents, where they can have one-on-one interactions with some of the best in the field of neuroradiology.

Holiday Inn, Aerocity has been chosen as the venue of the conference as it is located very close to the Delhi airport and is present in a complex of multiple hotels where delegates can choose to stay. Apart from a great academic program we also assure you of a cultural and gastronomic feast during the four days of the conference.

All our preparations are on-track and we sincerely look forward to welcoming you to ISNR 2019 in the capital of India, which is well known for its friendly people, historical monuments, bustling markets, world class sports stadia and shopping malls and culinary delights!!!

Greetings from ISNR 2019, New Delhi

Dr. Shailesh B. Gaikwad
Organizing Secretary
ISNR 2019
